Online-Version

Newsletter - März 2019

Please join us in Austria, Vienna for the 3rd InterCAP course: An International Course on Child Abuse and Neglect 3-6 June, 2019

InterCAP Offers:

- * All aspects of the clinical assessment and evaluation of physical, sexual, and emotional abuse, and neglect
- * Teaching delivered by international leaders in the field
- * Didactic talks, workshops and small group discussions.
- * Discussion and collaboration on some of the most challenging issues faced by child abuse paediatricians and their medical colleagues
- * Plenty opportunities for networking

New to InterCAP 2019!

- * Two tracks: basic and an advanced. The advanced track is perfect for those who have attended InterCAP in the past
- * A mentoring program. Delegates will be assigned an expert mentor and delegates and mentors will meet four times throughout the week. Delegates can receive help on program development, research, education and prevention initiatives

Other activities:

Welcome reception and abstract session on Monday 3 June

This is a wonderful opportunity to meet and network with other delegates and faculty and learn about some exciting research in an intimate setting

Course dinner with Keynote Address on Tuesday 4 June

The Keynote Address: The Role of Resilience will be presented by Dr. Heather Forkey
The dinner will take place at Mayer am Pfarrplatz Heuringer: A unique ambiance with mouth-watering delicacies and award-winning wines

Private guided tour of "Freud's Vienna" on Wednesday 5 June and Thursday 6 June

Lead by a certified tour guide of the Sigmund Freud Museum
