

15. COLLOQUIUM NEUROLOGICUM SALZBURG

SELTENE ERKRANKUNGEN IN DER
NEUROLOGIE

Rare Diseases in Neurology

MAIN TOPICS:

1. National and global perspective of rare neurological diseases
2. Neurologic manifestations of systemic disorders
3. Rare and complex epilepsies
4. Neurometabolic disorders
5. Multiple Sclerosis
6. Rare neuroimmunological disorders

PROGRAM

Thursday 24th May, 2018

- 09:00-09:05** *Welcome Address*
Eugen Trinka (Salzburg, Austria)
Florian Lagler (Salzburg, Austria)
- 09:05-10:30** **National, European and global perspective of rare disorders in neurology**
Chairs: Eugen Trinka (Salzburg, Austria)
Florian Lagler (Salzburg, Austria)
- Global approach to rare diseases in neurology*
Antonio Federico (Siena, Italy)
- Rare Disease Networks in Austria: current status and future prospects*
Ursula Unterberger (Vienna, Austria)
- Rare Disease Network in Salzburg*
Eugen Trinka (Salzburg, Austria)
- 10:30-10:50** **Coffee Break**
- 10:50-12:50** **Neurologic manifestations of systemic disorders, part 1**
Chairs: Elisabeth Fertl (Vienna, Austria)
Sebastian Mutzenbach (Salzburg, Austria)
- Giant-cell arteritis from a rheumatological viewpoint*
Andrea Studnicka-Benke (Salzburg, Austria)
- Neurological complications of giant cell arteritis*
Elisabeth Fertl (Vienna, Austria)

Neuropsychiatric lupus
Bettina Pfausler (Innsbruck, Austria)

Iatrogenic Creutzfeldt-Jacob disease
Georg Pilz (Salzburg, Austria)

12:50-13:30 Lunch Break

13:30-15:30 Neurologic manifestations of systemic disorders, part 2

Chairs: Erich Schmutzhard (Innsbruck, Austria)
Waltraud Kleindienst (Salzburg, Austria)

Emerging paraneoplastic syndromes
Waltraud Kleindienst (Salzburg, Austria)

Rare neuroinfections in the context of globalisation
Erich Schmutzhard (Innsbruck, Austria)

Neurological complications of Behcet's disease
Aksel Siva (Istanbul, Turkey)

Current trends of plasma exchange therapy in neuroimmunologic disease
Helmut Novak (Salzburg, Austria)

15:30-15:50 Coffee Break

15:50-17:50 Rare neuroimmunological disorders and multiple sclerosis, part 1

Chairs: Johann Sellner (Salzburg, Austria)
Tjalf Ziemssen (Dresden, Germany)

Treatment of MS: what can we learn from real-world experience
Tjalf Ziemssen (Dresden, Germany)

Diagnosis and treatment of CLIPPERS
Guillaume Taieb (Nimes, France)

Update Neuromyelitis optica spectrum disorders
Johann Sellner (Salzburg, Austria)

MOG encephalomyelitis
Zsolt Illes (Odense, Denmark)

from 19:30 Speakers' Dinner

Friday 25th May, 2018

08:30-10:30 **Neurometabolic disorders**

Chairs: Florian Lagler (Salzburg, Austria)
Paulus S. Rommer (Vienna, Austria)

Differential diagnosis of Fabry disease
Paulus S. Rommer (Vienna, Austria)

Challenges and perspectives in the treatment of Fabry disease
Florian Lagler (Salzburg, Austria)

Transthyretin-related familial amyloidosis: diagnosis and treatment
Julia Wanschitz (Innsbruck, Austria)

Niemann-Pick-disease type C
Olivier Bonnot (Nantes, France)

10:30-10:50 **Coffee Break**

10:50-12:30 **Rare and complex epilepsies, part 1**

Chairs: Gudrun Kalss (Salzburg, Austria)
Fritz Zimprich (Vienna, Austria)

The spectrum of autoimmune mediated epilepsy syndromes
Judith Wagner (Linz, Austria)

Rare causes of status epilepticus
Eugen Trinko (Salzburg, Austria)

Approach to genetic analysis of rare epilepsy syndromes
Fritz Zimprich (Vienna, Austria)

Mitochondrial causes of epilepsy in adults
Caroline Neuray (Salzburg, Austria)

12:30-13:10 **Lunch Break**

13:10-15:10

Multiple Sclerosis, part 2

Chairs: Jörg Weber (Klagenfurt, Austria)
Johann Sellner (Salzburg, Austria)

Lost in translation: treatment options for multiple sclerosis in 2018
Jörg Weber (Klagenfurt, Austria)

Role of the gut in multiple sclerosis
Ferdinand Otto (Salzburg, Austria)

Diagnostic pitfalls and off-label therapy in pediatric multiple sclerosis
Kevin Rostasy (Datteln, Germany)

When to test for autoimmune antibodies
Romana Höftberger (Vienna, Austria)

15:10-15:30

Coffee Break

15:30-18:00

Rare and complex epilepsies, part 2 and neurometabolic disorders, part 2

Chairs: Helen Cross (London, United Kingdom)
Eugen Trinka (Salzburg, Austria)

EpiCARE – European Reference Network for Epilepsy
Helen Cross (London, United Kingdom)

The NETRE – Network and the contributions to better epilepsy care
Gerhard Kluger (Vogtareuth, Germany)

Socioeconomical aspects of evolving standards of care in muscle disorders
Günther Bernert (Vienna, Austria)

Diagnostic and therapeutic approach to spinal muscle atrophy
Maggie C. Walter (Munich, Germany)

Spinal muscle atrophy cases from Salzburg
Susanne Grinzinger (Salzburg, Austria)

Nemaline myopathy
Fabio Rossini (Salzburg, Austria)

18:00

Closing remarks - Farewell

Congress Presidents

Prof. E. Trinka, PD F. Lagler

Congress Secretaries

Prof. J. Sellner, Dr. W. Kleindienst, Dr. G. Kalss
