CME Accredited eLearning for Healthcare Professionals

Improving Global Health Through Early Nutrition

ENeA Global
Early Nutrition **e**Academy

ENeA is an open access elearning co-operation between
the Early Nutrition Academy (ENA) and the Dr. von Hauner Children's Hospital (LMU Medical Centre, Munich; Germany)

What is ENeA?

The Early Nutrition eAcademy offers CME accredited eLearning modules covering topics in the areas of early nutrition and lifestyle for healthcare professionals.

- We provide comprehensive theoretical knowledge and practical applications based on current international recommendations and the latest scientific findings.
- Modules are written and reviewed by leading international experts in the field of early nutrition.
