

OMI SEMINARS

Are you interested in a unique opportunity for professional development? Join motivated colleagues from around the world for a one-week course in your medical specialty. The OMI seminars take place at Schloss Arenberg in Salzburg, Austria. They consist of state-of-the-art lectures, case presentations, workshops, and hands-on training. Leading experts from our partner institutions in the United States and Europe are enthusiastic to share their knowledge and experience with you. Fellowships cover travel expenses, course materials, and full board.
